RULES

1. The Orchestra del Mediterraneo Association, in collaboration with the Orfeo Stillo Musical Association, is organizing the XVII edition of the S. FRANCESCO DI PAOLA INTERNATIONAL LYRIC COMPETITION, which will be held from 8 to 10 June 2025 at the Politeama Theatre in Catanzaro.
2. The Competition is open to opera singers of both sexes of any nationality up to a maximum age of 35 years.
3. The Competition consists of 3 rounds: elimination round, semi-final round and final round. Candidates must present 4 arias from the repertoire. In the elimination round they will perform 2 arias, 1 chosen by the candidate and the other chosen by the jury. In the semi-final round they will perform 1 or 2 arias at the discretion and choice of the jury, while in the final round one or more arias from the 4 presented, again at the discretion and choice of the jury.
4. Candidates who wish to participate in the Special Prize dedicated to Calabrian composers must include in the program an aria composed by a Calabrian musician (for example: Cilea, Rendano, Manfroce, Capizzano, Longo, Leo, Quintieri, etc.), even among the 4 arias to be presented.
5. Candidates will be accompanied on the piano by a pianist offered by the organization; however, each candidate may be accompanied, at his or her own expense, by a trusted pianist.
6. The jury, appointed by the Artistic Direction, is composed of artistic directors of opera houses, conductors, composers, etc. whose names are indicated in the jury section of the announcement. If due to unforeseen impediments a juror already designated cannot be present, the President may call a new member to join the jury.
7. The decisions of the jury will be final and unappealable.
8. The jury will award a 1st, 2nd and 3rd prize but may decide to divide a prize equally if it deems two or more candidates to be of equal merit or may not award any prize. The jury may also award Certificates of Merit and Special Prizes in addition to the 3rd prize.
9. The award ceremony for the winners will take place at the end of the Competition on June 10, during the final concert in which the winners and/or finalists and additional candidates who have particularly distinguished themselves will perform, at the sole discretion of the jury.
10. For video, web, radio, photographic, television recording and recording, participants have no right to claim any financial request and at the same time, with the registration to the Competition and the acceptance of the following rules, they release the release for the use of each image and/or video.
11. All prizes must be collected in person, under penalty of cancellation of the prize itself, during the award ceremony.
12. Participants must show up with a document proving their identity and a copy of the pieces scheduled for the jury.
13. The Management will establish the schedule of performances that will be published on the website. Candidates will be responsible for reading it.
14. Failure to participate in the Competition will not give the right to any refund.
15. The Management assumes no responsibility for any damage caused to things or people during the performance of the work.
16. All participants will be issued a Certificate of Participation.
17. Participation in the Competition entails unconditional acceptance of these rules without any reservation.
